

Workshop

W10

Universal Pedagogy

Practices to engage ALL students

Date(s): February 20, 2018; March 23, 2018, and April 24, 2018

Participants: Homeroom teachers, resource teachers, administrators

Place: EMSB (6000 Fielding)

Registration Deadline: February 6, 2018 at 6pm

Workshop Description:

This workshop is designed to help teachers in LSES experiment with teaching practices (such as project based learning) that take into account students' interests, talents and prior knowledge as a means to develop every students full potential. This 3 day workshop is designed to:

- Define and describe concepts such as *disadvantaged*, *school engagement*, *equity*, and *universal pedagogy*.
- Explore practices that favour engagement in the context of a LSES.
- Plan and share classroom practices that model this topic.
